

ANNOUNCEMENTS

We are so pleased to have Pastor Kellie at CCPC. This is a 20 hour/week position. Because this is not a full time “called and installed” position, our search was much different than we have had in the past. The Presbyterian Church has created the process to simplify for congregations looking for a part time pastor. Our Session was the search team with direction from Pittsburgh Presbytery. We developed a “Church Information Form” which was then published on the Presbytery website. We had some interest. When Rev Weekley Mills let us know she was interested in the position, we interview her. Everything seemed to just mesh for both sides. We then contacted some of her references. They all reinforced what we felt from the interview. (Two also said they were jealous that we would have her as our pastor).

This is a contracted position, it will be renewed on an annual basis in December.

One of her primary focus’s will be congregational care. This is an area we have felt has been needed for a long time.

We look forward to this journey with Pastor Kellie. If you have any questions or suggestions, please feel free to contact anyone on Session or Pastor Kellie.

During the months of July and August we will be collecting backpacks and school supplies to support the Brookline Food Bank. It means so much to the children to start off the school year with new backpacks and school supplies. Thank you for generous support for our Outreach projects. The Food Bank is also in desperate need of tuna .

Our prayer warriors are continuously praying for those on our prayer list. Please let the church office know of any updates to those on our prayer list. This will allow us to update those praying and also give an update to the congregation.

BIRTHDAYS
